

Requirements established by the Spanish Ministry of Education

IE University is recognized by the Spanish Government. To be officially enrolled, all students must comply with the requirements established by the Spanish Ministry of Education.

This document explains the requirements to get your studies recognized by the Spanish Ministry of Education and be able to access official Spanish university studies.

The information contained in this document is provided for informational purposes only. The Spanish Ministry of Education reserves the right to ask for complementary information at any time.

In the case of International Baccalaureate (IB), the Spanish Ministry of Education requires the two full IB academic years and full IB Diploma. For students studying one year of IB and the second year any other educational system, the homologation will be denied and they will not be eligible for admission at IE University.

If you have any doubts, please contact your admissions advisor.

Please, send the requested documents by messenger or postal service to either:

IE Tower
